Multi-Mode Wireless Optical Mouse

M500 Silent

With its eye-catching colors and patterns, M500 Silent offers variety to suit every taste and environment. M500 Silent transmits using Rapoo's latest and powerful multi-mode wireless – via Rapoo's reliable 2.4 GHz wireless transmission, Bluetooth 3.0 or Bluetooth 4.0. (Smart) – allowing you to connect simultaneously to up to 3 devices and change (pair automatically) among them. Naturally

this mouse also features a fully adjustable 1600 DPI HD sensor and non-slip scroll wheel, making surfing and clicking a joy. The functionality is further boosted by a 'silent click' feature, which gives you freedom and a piece of mind since disturbing those around you is no longer a concern. To top it off, M500 Silent offers up to 12 months' battery life.

► Multi-mode wireless connection

Interference-free wireless options: The smart switch between *Bluetooth 3.0*, *Bluetooth 4.0 (Smart/ BLE)* and *2.4 GHz* ensures stable wireless transmission with up to 10 meters range and 360° coverage. You can still use your mouse regardless of USB port shortage or the loss of receiver.

► Instant switch among 3 connected devices in one click (Automatic pairing)

Connect to all your devices: M500 Silent automatically pairs the working device. It simultaneously connects to up to 3 devices, and easily switches among them in a click of a button. It simplifies cross-platform activities and meets multi-tasking requirements.

► Adjustable 1600 DPI HD sensor

Enjoy total control: with the adjustable DPI sensor, accuracy is no longer left to chance. Adjustable from 600 to 1600 DPI, you can adapt it to match your preference.

► The sound of silence

Click all you want: The silent mouse switches allow you to use your mouse freely without disturbing others. This mouse is perfect for late night projects at home, use at public places and while traveling.
