True wireless in-ear headphones

Features and Benefits

Feel The Bass

JBL has powered festivals and concerts around the world for decades. Now let JBL bring your own world to life with incredible Pure Bass sound.

Freedom From Wires

Tangled in your bag, caught in your jacket or stuck in your hair, wires can get in your way. Experience total freedom with no cords with the True Wireless JBL TUNE 125TWS earbuds.

Listen For Longer

With up to 32 hours of battery life, you can listen all day and all night. Keep your own private concert going for as long as you can keep up.

Fast Pair

You don't have time to wait around. As soon as you take your earbuds out of the case, they are paired to your Android device in a single tap. After pairing, any other device can be detected even when not paired. Enjoy incredible JBL sound seamlessly.

Either Ear, Or Both

Left ear, right ear, both ears? The power of Dual Connect gives you the choice to seamlessly enjoy music or make calls with either one or both buds. And the battery life keeps up with you, as you can keep one earbud charging, while using the other one.

Find Your Style

What works for you? With a wide color palette, you'll be able to find the perfect pair of JBL TUNE 125TWS earbuds to match exactly who you are, whether you love to blend in or stand out.
