Solution

Greatness is on Your HORIZON

FHD  
1920×1080

## 1080p FHD Image Quality

HORIZON delivers crystal-clear 1080p image quality on an enormous 200" screen. With such stunning resolution, you can take game night to the next level or enjoy your favorite movie in Full HD.

1500  
ISO

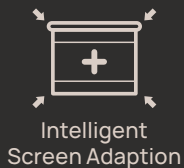

## 1500 ISO Lumens<sup>1</sup>

HORIZON provides a beaming bright 1500 ISO Lumens paired with incredible color depth and image sharpness, instantly illuminating all you love to watch any time of day.

SOUND BY  
harman/kardon  
Dolby Audio

## Sound by Harman Kardon

HORIZON is packed with dual 8W, 45mm full-range Harman Kardon speakers. Enjoy theater-quality sound that instantly enhances all that you love to listen to or watch.

## Intelligent Screen Adaption

Say goodbye to complex projector setups! HORIZON boots up and perfectly adjust your display in seconds thanks to its Auto Keystone Correction, AI Object Avoidance, Autofocus, and Intelligent Screen Alignment.

androidtv

## The Ultimate Home Entertainment Experience

Android TV™ provides easy access to 5000+ apps, including Prime Video, Hulu, and Disney+. You can also stream your favorite content from any Apple/Android device with Chromecast built-in and enjoy easy voice control with Google Assistant.

Remark:

1. The brightness data is from the XGIMI Laboratory. Actual product brightness may differ based on the specific test software version, testing environment, and product version.

2. All parameters listed on this page are measured in a controlled test environment before the product is mass-produced. The results may vary based on individual user experiences, including different environments, usage conditions, and firmware versions.
